

Privacy Policy for Bridge Organizer Discord Bot

1. Introduction This Privacy Policy explains how the Bridge Organizer Discord Bot ("the Bot") collects, uses, and stores information.

2. Information Collected The Bot may collect:

- Discord User ID - User selections (menus, preferences)
- Interaction history needed for features

The Bot does NOT collect:

- Email addresses
- Phone numbers
- Payment information
- Sensitive personal data

3. How Data Is Used Data is used only to deliver features such as tournament registration, roles, menus, or notifications.

4. Data Sharing No data is shared with third parties. Data stays on secure hosting controlled by the developer.

5. Data Retention Data is retained only as long as necessary. Users may request deletion.

6. Security Technical measures are implemented to protect data, but no system is perfectly secure.

7. User Rights Users may request:

- Data deletion
- Data export
- Information about stored data

8. Changes This Privacy Policy may be updated. Continued use of the Bot indicates acceptance.

9. Contact For concerns or requests, contact the Bot developer.
